## SHORT-TERM TRAINING INFORMATION

The Full-time Training in Anaheim is open to all the saints who would like to join us for an unscheduled short-term period. The unscheduled short-term trainings have no fixed dates; however, for this Spring term, **the Short-term Training will cease on June 12, 2010.** Saints can come and participate anytime for any number of days.

Any interested person should simply fill out the front of this form in detail, sign it and obtain an elder's endorsement. **Upon receipt and acceptance of the application, we will send a confirmation e-mail to you.** The application should be mailed or faxed to our office **at least 5 days in advance** of the selected training period. Our fax number is (714) 991-8537. Room and board charges for our limited housing remain at **\$25.00** per day. **Payment is required at the time of registration.**

**Hospitality is not available after the close of the FTT term, nor during the summer or winter trainings. This must be arranged by the sending church through the LSM office at the time of registration.**

**Please let us know ahead of time what will be the estimated arrival time, as well as any change in plans that might delay or prevent you from coming to the training.** The FTTA cannot provide transportation to and from the area airports. Please make your own arrangements. If you would like, upon arrival at either LAX or Orange County Airport, you may take the AirportBus ([airportbus.com](http://airportbus.com)) or SuperShuttle ([supershuttle.com](http://supershuttle.com)) from the airport to the **Disneyland Hotel**. A trainee will be contacting you soon to arrange for you to be picked up from the Disneyland Hotel. Otherwise, please phone us at (714) 991-4688 or if at odd hours, (714) 448-0102. For groups of 6 or more, it is cheaper to take an airport shuttle van such as SuperShuttle ([supershuttle.com](http://supershuttle.com)), directly to the Training Center at 1853 W. Ball Rd. in Anaheim.

Bedding and towels are provided. In order to maintain the uplifted atmosphere in the training, we suggest that clothing be similar to that worn by the FTTA trainees. Brothers should wear button-down shirts with a collar, a tie, and moderate pants. Sisters should wear button-down shirts with a collar and moderate skirts (extending at least 3 inches below the knee when sitting). Closed-toe shoes are also encouraged. The trainees should bring their Bible, hymn book and notepad. If the stay is lengthy, you may want to bring the books listed on the website booklist.

Many full-time trainees received their burden to be trained by coming for a short term. May the Lord use this opportunity for His good pleasure.
