1. That we would be blent and built with all the saints by enjoying the fellowship in the body.
2. That the sanctifying Spirit will go before us and prepare 5 new gospel contacts to attend the gospel meeting on January 28.
3. For the Lord to cover our health, safety, and security.

EUROPE

January 22

All six of us have safely arrived in Warsaw (with the 4 other teams in our hub) where we will have our first day of orientation tomorrow.

Prayer burdens:

1. For the preparation of our beings during orientation and as we begin to go out.

NORTH AMERICA

Northeast

Newington, CT / Lowell, MA / Manchester, NH

January 22

We have all arrived smoothly and safely in Newington, Connecticut. This evening we had a time with the saints over dinner. We spent some time sharing testimonies and getting to know the saints in Newington. We also had a short orientation to go over the schedule and our various gospel activities this week.

Please pray for our going out on Central Connecticut State University (CCSU) and the University of Connecticut (UConn) this week.

Southeast

Georgia / Tennessee

January 22

We have arrived in Atlanta, GA. One of our team members spoke and prayed with the one sitting next to him on the flight here.

Monday night is the small group meeting with Georgia State University students, and Tuesday will include tabling at the Georgia Tech Student Organization Fair and a small group meeting with some Georgia Tech students.

Prayer burdens:

1. That the Lord would attract His seekers during the tabling time (11 a.m. - 12 p.m.) on Tuesday at Georgia Tech University.
2. That the Lord would blend us with the local saints and students and cause our being among them to be an encouragement and strengthening to them.
