

# 2024 FTTA Gospel Trips Report and Prayer Burdens 10 January 31, 2024

## Africa

### Ethiopia

*January 31*

In the past nine days, although sixty-four students prayed to receive the Lord, only one was baptized. This is largely because Addis Ababa is a city thickly veiled with the Ethiopian Orthodox Christian religion. Our team of FTTA trainees and full-timers have thus been praying desperately for more baptisms. And surely as the beginning of His answer, the Lord released the baptisms of two brothers and one sister today! We are full of praise and thanksgiving, and we will continue to pray steadfastly for the release of at least one baptism each day.

Statistics:

Contacted: 47

Tracts: 48

Received the Lord: 10

Bibles: 5

Baptisms: 3

Second Appointment (group meeting): 1

Prayer burdens:

1. For the Lord in His ascension to rule over the evil principalities of religion and for many young people to see the evilness of religion and the light of God's economy.
2. For the Lord to release one baptism every day.
3. For the Lord to add more female students into the church life.

## Singapore

*January 29-31*

We went to National University of Singapore (NUS), and joined the weekly Bible study and went on the gospel. During the Bible study we covered Ephesians 2 and there was much discussion on the Lord's breaking down the middle wall for the one new man. Many of the NUS students are very new to the church life and require much prayer and shepherding. This Bible study started with 6 people and now has grown to an average of 24 weekly, praise the Lord! We also went on campus to preach the gospel. Today we tried to pass out as many invitation cards as possible for our gospel meeting on February 1.

2. For the growth and maturity of the NUS students, in particular for ones who are not saved.
